With an intimate knowledge of Polynesia, from the most frequented island to the most remote atoll, Tahiti Yacht Charter is able to assist you in all your choices and provide answers to all your questions to help you develop the cruise of your dreams, taking into account your wishes. If you wish, you can explore Polynesia in privacy and safely with a crew to run in this type of support. All French-made (Fountaine-Pajot, Lagoon, Nautitech), their catamarans are carefully maintained by their own technicians and meet international standards.

The skippers, hostesses and cooks of Tahiti Yacht Charter are ready to sail with you. They will take care of all the stewardship of the boat and will tell you about Polynesia. They will share their favorite spots, the best diving spots, and the recipe for raw fish. You have one thing to do: enjoy and let yourself go and discover welcoming and genuine Polynesia.

Location

More Information

If you prefer to rent a catamaran, bareboat, you should have at least two years' experience as a skipper.

You can cruise the lagoons and ocean of the Leeward Islands where sailing is without difficulty and channels are well marked.

Please note than in the more complicated and adventurous Tuamotu Islands, one of TYC professional skipper is mandatory on board (cost to be added)

Please contact our services for more informations.
 Informations on this Factsheet are subject to change without prior notice.

Lagoon 380

2012/2013

Its principal attractions: a simple layout, efficiency, safety and comfort. All manoeuvres are controlled from the cockpit, so that sailing the Lagoon 380 is rapid and easy, even with a basic crew. It is ideal for family cruising. The rounded cockpit offers 360° visibility through portholes and glass bays.

It is available in a 4-cabin version. The bathroom separates the forward and rear cabin and the two hulls are symmetrical. The forward peaks communicate with the forward cabins and are arranged for sleeping accommodations.

If a TYC crew is aboard, one cabin must be reserved for their use.

Lagoon 440 GC

2012/2013

The marriage of aesthetics and practicality is immediately obvious: on the deck the roof lines are clean, the shapes dynamic and volumes and ergonomics optimized. The keel is powerful and above all very stable and the volume of the stems and weight distribution mean that pitching is reduced to a minimum. The cockpit is raised and centrally-located and has excellent visibility.

All manoeuvres are controlled from this position. The cockpit's bench seating is the favorite place for sharing the pleasures of sailing and the forward cockpit is the best place to dream whether under sail or at mooring.

Some of our Lagoon 440's are available in "Grande croisière" version – with generator, water maker and air conditioning.

The rental of this catamaran requires a TYC skipper.

Max Number Of Adults: 10

Max Number Of Adults and Child(ren): 10

Lagoon 500 GC

2012/2013

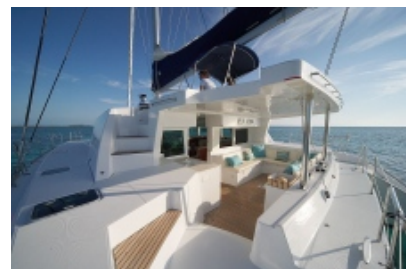

It is fitted with an extensive deck and large convivial cockpit, protected by a rigid bimini as well as a second cockpit at the helm. This is raised and central so that all those aboard can share the pleasures of sailing with the captain.

Our Lagoon 500 is in the Grande croisière version with generator, water maker and air conditioning and a TYC skipper is mandatory on board.

Lagoon 560 - SENSO

2012/2013

The Lagoon 560 is an offshore cruising catamaran par excellence, and benefits from all the features that make the success of other Lagoon models (infusion moulding, gull wing shaped bridge deck, vertical windows around the saloon, space and light in the cabins...) All Lagoons bear the VPLP (Van Peteghem Lauriot Prévost) signature, the most successful firm of naval architects to date in the catamaran sector. The Lagoon catamarans offer an extensive and coherent range of crafts to satisfy all sailing schedules. They are reliable, innovative and fast, easy to handle, comfortable at sea and at anchor.

Grande Croisière, with 220 V Generator, water-maker, air conditioning, Tahiti Yacht Charter Skipper on board, mandatory.

Max Number Of Adults and Child(ren): 10

Bahia 46

2012/2013

This catamaran built by Fountaine Pajot is ideal for sailing with friends or two families with children.

She can accommodate up to 12 using the 4 double cabins, 2 single berths and 2 forward peaks.

There are 4 toilets/showers. The layout is well thought out and makes for easy life aboard.

Max Number Of Adults and Child(ren): 12

Nautitech 441

2012/2013

An industry leader, Nautitech innovates again with its water recovery system.

The 441 allows all manoeuvres to be carried out from the central helm station.

There are 4 double cabins each with private facilities and 2 forward peaks suitable for 2 children (from 1.10m/3,60 feet wide at the head to 0.90m/2,95 feet at the feet).

Max Number Of Adults: 14

Max Number Of Adults and Child(ren): 14

Orana 44

2012/2013

Its layout ensures ease of movement and a low center of gravity ensures maximum safety.

A large sliding bay gives direct open-plan access between the salon and the cockpit. There is a 3-person capacity in the helm position from which all manoeuvres can be carried out with excellent all-round visibility. A sun-bathing area is sheltered behind the helm complete with two adjustable loungers.

A sail area of 110 m2 gives this boat a well-sustained performance even in light winds, with minimum engine use. There are 4 light and airy cabins with private bathrooms
